

# Research Development

**Holly Chanatry, MS**

Director of Strategic Research Initiatives

[chanatrh@upstate.edu](mailto:chanatrh@upstate.edu) 4-4326

**Barbara Humphrey**

Research Development Coordinator

[humphreb@upstate.edu](mailto:humphreb@upstate.edu) 4-4322

## Services include:

- Assistance identifying extramural and intramural funding opportunities; individualized searches using COS Pivot and other search engines
- Guidance coordinating large, complex, or multi-institutional proposals
- Administering the Intramural Research Grant and Summer Medical Student Fellowship Programs

## Help us help you get funded:

- Come see us early in the process, *before* you write the grant
- Allow time for internal peer / colleague review of your proposal
- Build your collaborations & teams – we will work with their sponsored programs staff
- Explore a mix of funding opportunities
  - ✓ New initiatives such as SUNY Networks of Excellence
  - ✓ “Big Data” push by NIH & others
  - ✓ NIH Roadmap, mission-driven funding agencies
