I acknowledge that all dissertations/theses will be uploaded to D-Space, State University of New York's ("SUNY") chosen digital repository, six months after the degree-granting date with an option to extend to one year. By signing and submitting this license, the author grants to D-Space at SUNY Upstate Medical University, a non-exclusive right to reproduce and distribute in electronic format via the World Wide Web, as well as the right to migrate or convert the dissertation/thesis, without alteration of the content, to any medium or format for the purpose of preservation and/or continued distribution.

SUNY Upstate's dissertations/theses are made available to the public but are protected by a Creative Commons Attribution/Non Commercial/No Derivatives license, which indicates that the dissertation/thesis may be used for non-commercial purposes only, with no modifications, and attribution to the original author is required. SUNY will take all reasonable steps to ensure that the author's name remains clearly associated with the submission and that no alterations of the content are made.

SUNY Upstate acknowledges that this is a non-exclusive license; any copyrights in the submission remain with the author or other copyright holder and subsequent uses of the submitted material by that person(s) are not restricted by this license.

The author represents that the dissertation/thesis covered by this license is his/her original work and that he/she has the right to grant this license to D-Space at SUNY Upstate. The author further represents that the submission does not, to the best of his/her knowledge, infringe upon any third-party's copyright. If the submission contains material for which the author does not hold copyright, the author represents that he/she has obtained the unrestricted permission of the copyright holder to grant this license to D-Space, and that such third-party material is clearly identified and acknowledged within the text or content of the submission. In the event of a subsequent dispute over the copyrights to material contained in this submission, the author agrees to indemnify and hold harmless SUNY and its employees or agents for any uses of the material authorized by this license.

A majority of journal editors and university presses accept submissions of articles based upon thesis and
