**BD Angiocath 14g x 1.88" IV Catheter Substitution  
(Lawson #51854):**

**USED FOR NEEDLE DECOMPRESSION AND STOCKED IN  
THE ADULT AND PEDIATRIC CODE CARTS**

### Current Catheter:

BD Angiocath 14g x 1.88" IV Catheter

### Substitute Catheter:

B. Braun 14g x 2" IV Catheter

🌟 **There are no significant differences between the catheters  
besides the packaging and a slight difference in length.** 🌟

We will continue to source our usual supply as available and return to normal as the supply chain stabilizes. Thank you for your understanding and patience.
