21G, 23G, & 25G BUTTERFLY BLOOD COLLECTION SET REPLACEMENTS LAWSON #s 53802, 53804, 53806

Old BD Vacutainer Push Button
Blood Collection Set

New BD Vacutainer *Ultra Touch*
Push Button Blood Collection Set

Please note: This will be a permanent replacement.

The change was requested by VAT and approved through Value Analysis. The Ultra Touch butterfly sets reduce the risk of hemolysis and pain due to thin wall technology and a unique beveled tip.
