**BD MaxZero Clave Trial  
Nuclear Medicine & Stress/Echo  
“STACK”**

Nuclear Medicine & Stress/Echo will be adding the “stack” to the MaxZero Clave.

**DO NOT REMOVE THE STACK**

*This will also be reported in hand off.*

This will only be used on patients receiving radioactive isotopes.

The stack is compatible with all luer lock devices.

**Do not remove  
stack**

Please post and share in huddles.

Anticipated start for the trial is 4/10/2023.
