

## How to become a DART Administrator (Direct Appointment Request Tool)

What is a DART administrator?

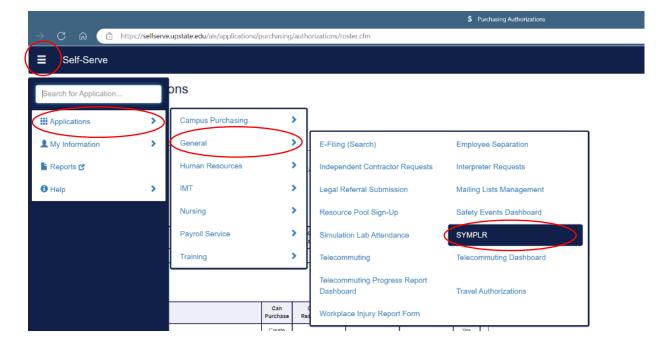

• A DART administrator is an Upstate staff member who is listed in the symplr vendor credentialing system for vendors to submit appointment requests to.

Why become a DART administrator?

- As a DART administrator, staff receive appointment requests from vendors in their Upstate E-mail inbox.
- DART administrators have the ability to accept or decline appointment requests depending whether they work with their schedule. \* *Staff member accepting an appointment must be working during vendor visit and responsible for the vendor while on site.* \*
- DART gives hospital staff and vendors a convenient, time-saving tool to schedule and verify vendor appointments.
- Only vendors/reps with approved appointments will be able to print a badge and enter our facility.

How to request to be a DART administrator:

- 1. Log into Self-Serve
- 2. Select the three lines/hamburger on the top left of the screen
- 3. Select Applications
- 4. General
- 5. Symplr

- 6. DART Administrator?: Select Yes. Name, Department, and E-mail Address will be prefilled.
- 7. Click Submit
