Sterile Water for Irrigation 500ml Backorder (Lawson # 24302):

- This product is normally stocked in 500ml bottles. 500ml bottles are on backorder.
- We will soon need to utilize 1,000ml bottles as our sub.
- We are being informed this backorder may resolve in early April.

PLEASE NOTE: 1,000ml bottles are also in short supply. Please conserve product when possible.

We will continue to source our usual product as it becomes available.
Thank you for your patience and understanding.
