Thopaz Single Tubing Set Backorder (Lawson #T0013104):

- The Thopaz single tubing set is on backorder until at least early April.
- We currently have about a dozen single tubing sets for use in University Hospital.
- We currently have adequate supply of canisters and double tubing sets.
- Please conserve inventory of single tubing sets where possible.

We will continue to source our usual product as it becomes available.
Thank you for your patience and understanding.
