

Patient Evaluation of Resident

As an academic medical center, one of Upstate Medical University's missions is to train resident doctors; you, the patient, are the best teacher. As a teacher, we want to know your "grade" of the resident doctor who primarily took care of you in the hospital. Your evaluation will help this doctor develop into the best possible physician.

Thank you for participating.

Please answer the following questions based on the following scale:

- 0 = unable to answer
- 1 = strongly disagree
- 2 = disagree
- 3 = neutral
- 4 = agree
- 5 = strongly agree

1. This resident appeared to be quite knowledgeable.
2. This resident was attentive to my needs.
3. This resident always behaved in a professional manner.
4. This resident interacted well with other members of the staff.
5. Overall, I was very pleased by the care I received by this resident.

We welcome any additional comments:
