44TH ANNUAL • ADVANCES IN CLINICAL PERINATAL MEDICINE
REGIONAL PERINATAL SYMPOSIUM

COURSE DESCRIPTION
A stimulating one day symposium designed for obstetrical and pediatric physicians, nurses, nurse midwives, nurse practitioners and related health care professionals. Our conference focus is recognizing, caring for, and working with the high-risk mother, fetus/newborn, and family.

COURSE OBJECTIVES
At the conclusion of this program, participants will be able to:
- Identify new developments in the care of the high risk mother and infant.
- Develop an overview of recent studies relating to high-risk pregnancy and complicated neonatal situations, including medical, ethical, and psychosocial aspects of care.
- Evaluate perinatal care in the evolving health care environment.

ACREDITATION
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Medical Society of the State of New York (MSSNY) through the joint providership of Crouse Hospital and SUNY Upstate Medical University. Crouse Hospital is accredited by the Medical Society of the State of New York (MSSNY) to provide continuing medical education for physicians.

Crouse Hospital designates this live activity for a maximum of 5.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Please complete your Evaluation of the program. ALL attendees will receive certificates at the end of the program for credits earned. Please contact the Crouse Hospital CME Office (315-470-5917) with any questions.

Americans with Disabilities Act Statement:
In accordance with the Americans with Disabilities Act, if you have a disability that might require special accommodations, please contact Pamela Parker at (315) 464-5709.
