New to the northeast?

**What to pack**

Our four-season climate offers something for everyone.

Spring temperatures range between 40 to 50°F (4 to 10°C). While our average 40-inch (101.6 cm.) rainfall is evenly distributed throughout the year, rain gear is very practical during spring.

As the cool weather gives way to Summer, temperatures turn quite warm. Syracuse’s hottest month is historically July, with an average high temperature of 82°F (27°C). Pack lightweight fabrics such as cotton and linen as these natural fibers will breathe in the heat.

Autumn presents warm, mostly sunny days at about 66°F (19°C) and crisp evenings that generally dip into the 40s (4 to 10°C). The cooler, shorter days debut woolens and lightweight coats.

Syracuse’s bountiful Winter snowfall ranges about 115.6 inches (293.6 cm) on average. January, our coldest month, has temperatures between 14 to 31°F (-10 to 0°C.). Plan to pack a heavy winter coat, long underwear, sweaters, socks, gloves, scarf and hat for November through March. Boots and rubber-soled shoes help prevent slipping on ice or snow.

Hungry? Thirsty?

The **Spice Express cafeteria**, on the ninth floor of Weiskotten Hall, is open 7:30 a.m. to 2 p.m. daily.

**Café 750**, the main cafeteria on the second floor of Upstate University Hospital, serves hot food from 6 a.m. to 10 p.m. daily. Cafeteria vending machines are operable 24 hours a day. A tunnel connects the basement of Weiskotten Hall to the seventh floor of Upstate University Hospital.

The **gift shop** (464-4713), in the main lobby of Upstate University Hospital, offers snacks, chips and cookies, etc., 8 a.m. to 7 p.m. Monday-Friday and 9:30 a.m. to 6 p.m. weekends and holidays.

**Espress Oasis Coffee Bar** (464-5607) in the main lobby of Upstate University Hospital offers sandwiches, soups, gourmet coffees, and pastries 6 a.m. to 6 p.m. Monday - Friday.

**Deb’s Place**, on the first floor of the Campus Activities Building, 155 Elizabeth Blackwell Street, is open 7:30 a.m. to 2 p.m. Monday - Friday year round.
Many conveniences are within a five-minute walk of Weiskotten Hall. The SUNY Upstate campus, which is part of the vibrant area known as University Hill, enjoys a lively college atmosphere with its neighbors Syracuse University and the SUNY College of Environmental Science and Forestry. Nestled on the edge of downtown Syracuse, the SUNY Upstate campus is close to restaurants, shops, bookstores, pharmacy, banks and ATMs.
