

Directions to Silverman Hall Room 1203

- Enter lobby of hospital and head towards main elevators
- To the right of elevators, you will see a set of double, silver doors
- Go through the double doors and follow to the end of the hall
- Take the last door on your left to the elevators
- Take the elevators to the 7th floor
- Exit elevator and go through double doors on right (use ID badge for access)
- Cross the bridge and go through the doors on your right before the double doors at the end (Into the New Academic Building (NAB))
- Walk down the hall to the elevators in the NAB and take them down to the bottom level (L2)
- When you get off the elevators take a left down that corridor and through the badge access doors into Silverman Hall
- When you walk into Silverman the classroom is right inside the doors on the left, room 1203
